Subject: George Mason Website Project

Good afternoon,

Thank you again for agreeing to be featured on our redesigned website. I am responsible for working with the photographer to schedule these photos to be taken over the next month or so. For alumni and current evening students, we are hoping to capture you in action at your place of employment. To that end, I would like to introduce you to our photographer, John Boal, whom I have copied on this email. Logistically, we have determined it makes the most sense for John to coordinate directly with the subject to determine a convenient time to schedule an off-site photo session. I have provided John with your name and email address so that he can reach out to you directly but I will be kept in the loop as the contact at the law school.

Please feel free to contact me if you have any questions or concerns and we look forward to working with you to bring this project to its completion over the next few weeks.

Janie
